

# Cluster Name : Komaki Engine Cluster

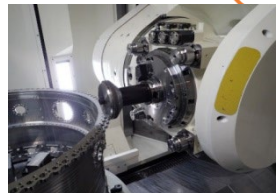

- Integrated multi process manufacturing services for aerospace engine parts and produced multi-step integrated production with a wide variety of machines.
- Mass production experiences of LP turbine blade, combustion chamber, combustor case, etc.
- Special process certifications of Nadcap(HT,CP,CT,WLD,NM,NDT), Rolls Royce, Pratt & Whitney, MHI, KHI

## 【Manufacturing Processes Example (combustion chamber)】

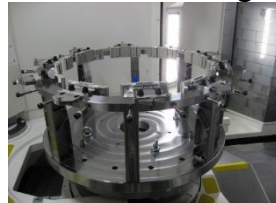

**We are cooperating with strong processes**

- HIKARI MANUFACTURE CO.LTD
- MATSUURA CO.,LTD.
- MIZUKI MANUFACTURE CO.,LTD.
- ISOMURA MANUFACTURE CO.,LTD.
- HODEN SEIMITSU KAKO KENKYUSHO CO.,LTD.
- HEIWA SANGYO CO. LTD.
- KOSAKA IRON WORKS CO.,LTD.

**Under Machining**

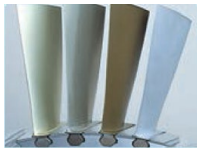

**Jig Development**

### Special Process

Heat Treatment Vacuum Furnace Non Destructive Test Equipment

Sermetel Coating

Plasma Spray

Penetrant Inspection
